

## TECHNICAL MANUAL

HEADQUARTERS  
DEPARTMENT OF THE ARMY  
*Washington, DC 1 March 1997*

No. 5-663

# CHILD DEVELOPMENT CENTER

## PLAY AREA INSPECTION AND MAINTENANCE PROGRAM

| <i>Paragraph Page</i>   |         |      |
|---|---------|------|
| <b>CHAPTER 1 GENERAL</b>  |         |      |
| Purpose . . . . .   | ...1-1  | 1-1  |
| Scope . . . . .   | ...1-2  | 1-1  |
| References . . . . .  | ...1-3  | 1-1  |
| Applicability . . . . .   | ...1-4  | 1-1  |
| Definitions . . . . .   | ...1-5  | 1-1  |
| The numbering system for elements . . . . .                               | ...1-6  | 1-2  |
| Elements not included in the manual . . . . .                             | ...1-7  | 1-2  |
| The inspection and maintenance program . . . . .                          | ...1-8  | 1-2  |
| Implementation . . . . .  | ...1-9  | 1-3  |
| Overview of the inspection and maintenance program . . . . .              | ...1-10 | 1-4  |
| Establishing the play area record keeping system . . . . .                | ...1-11 | 1-8  |
| Additional play area record keeping requirements . . . . .                | ...1-12 | 1-8  |
| <b>CHAPTER 2 CUSTOMIZING THE INSPECTION AND MAINTENANCE PROGRAM</b>       |         |      |
| Introduction . . . . .  | ...2-1  | 2-1  |
| Assemble supplies.....  | ...2-2  | 2-1  |
| Conduct the play area inventory..   | ...2-3  | 2-1  |
| Create a site-adapted play area inventory list . . . . .                  | ...2-4  | 2-4  |
| Compile the site-adapted baseline inspection checklist . . . . .          | ...2-5  | 2-4  |
| Compile the site-adapted daily visual inspection tools . . . . .          | ...2-6  | 2-8  |
| Compile the site-adapted periodic inspection checklist . . . . .          | ...2-7  | 2-8  |
| Compile the site-adapted annual inspection checklist . . . . .            | ...2-8  | 2-13 |
| Compile the site-adapted maintenance schedules . . . . .                  | ...2-9  | 2-15 |
| Insert the information into a binder. . . . .                             | ...2-10 | 2-18 |
| Use the customized manual to inspect and maintain the play area . . . . . | ...2-11 | 2-18 |
| <b>CHAPTER 3 CHILD SAFETY REQUIREMENTS IN THE OUTDOOR PLAY AREA</b>       |         |      |
| Introduction . . . . .  | ...3-1  | 3-1  |
| Head and neck entrapment . . . . .  | ...3-2  | 3-1  |
| Maximum recommended equipment heights by age group . . . . .              | ...3-3  | 3-1  |
| Multiple exits . . . . .  | ...3-4  | 3-1  |
| Pinch, crush, and shear points . . . . .                                  | ...3-5  | 3-1  |
| Protective barriers . . . . .   | ...3-6  | 3-1  |
| Protrusions . . . . .   | ...3-7  | 3-1  |
| Safety Surfaces . . . . .   | ...3-8  | 3-3  |
| Use zones . . . . .   | ...3-9  | 3-4  |
| Sharp points and edges . . . . .  | ...3-10 | 3-5  |
| Wood preservatives . . . . .  | ...3-11 | 3-7  |
| Weed and pest management plan..   | ...3-12 | 3-8  |
| <b>CHAPTER 4 ASSEMBLING THE INSPECTION TOOL KIT</b>                       |         |      |
| Introduction . . . . .  | ...4-1  | 4-1  |
| Tools needed for play area inspection . . . . .                           | ...4-2  | 4-1  |
| Using the specialized tools to inspect the play area . . . . .            | ...4-3  | 4-1  |
| Head and neck entrapment . . . . .  | ...4-4  | 4-1  |

|   | Paragraph | Page |
|---|-----------|------|
| Protrusions . . . . .   | ...4-5    | 4-4  |
| Pinch,crush,and shear points.. . . . .  | ...4-6    | 4-6  |
| <b>CHAPTER 5    INSPECTING THE PLAY AREA</b>  |           |      |
| Introduction . . . . .  | ...5-1    | 5-1  |
| Four typesofplay area inspections . . . . .   | ...5-2    | 5-1  |
| The play area inspection team. . . . .  | ...5-3    | 5-1  |
| Preparing for the play area inspection . . . . .                                      | ...5-4    | 5-1  |
| Organizing play area records for baseline, periodic, and annual inspections . . . . . | ...5-5    | 5-1  |
| Conducting baseline, periodic, and annual inspections . . . . .                       | ...5-6    | 5-2  |
| Conducting daily visual inspections. . . . .  | ...5-7    | 5-2  |
| Hazard management and inspection reporting . . . . .                                  | ...5-8    | 5-2  |
| <b>CHAPTER 6    HAZARD MANAGEMENT AND INSPECTION REPORTING</b>                        |           |      |
| Introduction . . . . .  | ...6-1    | 6-1  |
| Managing hazards . . . . .  | ...6-2    | 6-1  |
| Using the maintenance schedules to correct hazards. . . . .                           | ...6-3    | 6-1  |
| Site-adapted baseline, periodic, and annual maintenance schedules . . . . .           | ...6-4    | 6-1  |
| Site-adapted daily maintenance schedule . . . . .                                     | ...6-5    | 6-1  |
| Closing the play area or elements within the play area . . . . .                      | ...6-6    | 6-4  |
| Reporting inspection results . . . . .  | ...6-7    | 6-4  |
| Completing the CDC Play Area Safety Inspection Summary, DA Form 7308-R . . . . .      | ...6-8    | 6-4  |
| Managing multiple play area hazards . . . . .   | ...6-9    | 6-6  |
| <b>CHAPTER 7    STAFF TRAINING</b>  |           |      |
| Introduction . . . . .  | ...7-1    | 7-1  |
| The training video . . . . .  | ...7-2    | 7-1  |
| Key staff training needs . . . . .  | ...7-3    | 7-1  |
| The CDC staff training session . . . . .  | ...7-4    | 7-1  |
| Training goals and objectives . . . . .   | ...7-5    | 7-1  |
| Preparing for the CDC staff training program . . . . .                                | ...7-6    | 7-1  |
| Training agenda . . . . .   | ...7-7    | 7-2  |

**APPENDIX A. REFERENCES****APPENDIX B. RECOMMENDED BASELINE INSPECTION QUESTIONS****APPENDIX C. RECOMMENDED PERIODIC INSPECTION QUESTIONS****APPENDIX D. RECOMMENDED ANNUAL INSPECTIONS QUESTIONS****APPENDIX E. MAINTENANCE SCHEDULES****LIST OF FIGURES**

|        |       |  |      |
|--------|-------|--|------|
| Figure | 1-1:  | The numbering system for elements within the play area . . . . .   | 1-3  |
|        | 1-2:  | Phases of the CDC inspection and maintenance program . . . . .   | 1-5  |
|        | 1-3:  | Phase one-establish the program. . . . .   | 1-5  |
|        | 1-4:  | Phase two-identify current play area renditions . . . . .  | 1-6  |
|        | 1-5:  | Phase three -maintain a safe play area . . . . .   | 1-7  |
|        | 2-1:  | Assembling the customized inspection and maintenance manual . . . . .  | 2-2  |
|        | 2-2:  | Sample completed DA Form 7309-R illustrating an actual inventory of a play area . . . . .  | 2-3  |
|        | 2-3:  | Sample of a play area inventory prepared from a completed DA Form 7309-R. . . . .  | 2-5  |
|        | 2-4:  | Sample of a completed DA Form 731 O-R illustrating a baseline inspection checklist . . . . .   | 2-6  |
|        | 2-5:  | Sample of a completed page 2 of DA Form 731 O-R illustrating separate inspection questions for each individual element . . . . .     | 2-7  |
|        | 2-6:  | Sample of a completed page 2 DA Form 731 O-R illustrating one set of inspection questions for multiple elements of one type. . . . . | 2-9  |
|        | 2-7:  | Sample site-adapted daily visual inspection list . . . . .   | 2-10 |
|        | 2-8:  | Sample daily visual inspection log.. . . . .   | 2-11 |
|        | 2-9:  | Sample of a completed DA Form 731 O-R illustrating a periodic inspection checklist . . . . .   | 2-12 |
|        | 2-10: | Sample of a completed DA Form 731 O-R illustrating an annual inspection checklist . . . . .  | 2-14 |
|        | 2-11: | Sample of appendix E annotated with who has the maintenance responsibilities . . . . .   | 2-16 |
|        | 2-12: | Sample of a site-adapted daily maintenance schedule . . . . .  | 2-17 |
|        | 3-1:  | Protective barrier requirements . . . . .  | 3-3  |
|        | 3-2:  | Adjacent play equipment without overlapping use zones . . . . .  | 3-5  |
|        | 3-3:  | Typical stationary equipment use zone . . . . .  | 3-6  |
|        | 3-4:  | Typical swing use zone . . . . .   | 3-6  |

## LIST OF FIGURES (cont.)

|       |  |     |
|-------|--|-----|
| 3-5:  | Typical slide use zone . . . . .   | 3-7 |
| 3-6:  | Typical overlapping use zones. . . . .   | 3-7 |
| 4-1:  | Torso probe . . . . .  | 4-2 |
| 4-2:  | Head probe . . . . .   | 4-2 |
| 4-3:  | Set of three protrusion inspection gauges. . . . .   | 4-2 |
| 4-4:  | Protrusion gauge for swing seats and hardware. . . . .   | 4-3 |
| 4-5:  | Articulated web stop probe . . . . .   | 4-3 |
| 4-6:  | Surfacing serves as bottom edge of opening. . . . .  | 4-3 |
| 4-7:  | Opening with limited depth . . . . .   | 4-4 |
| 4-8:  | Recommendations for angles . . . . .   | 4-5 |
| 4-9:  | Filled apex for angles less than 55 degrees. . . . .   | 4-5 |
| 4-10: | Compound protrusions . . . . .   | 4-5 |
| 4-11: | Compound vertical protrusions . . . . .  | 4-6 |
| 5-1:  | Sample of a completed DA Form 731 O-R illustrating an actual inspection . . . . .  | 5-3 |
| 5-2:  | Sample of a completed DA Form 731 O-R illustrating an actual inspection consisting of separate inspection questions for each individual element . . . . .        | 5-4 |
| 5-3:  | Sample of an impleted DA Form 731 O-R illustrating an actual inspection consisting of one set of inspection questions of multiple elements of one type . . . . . | 5-5 |
| 6-1:  | Sample completed DA Form 731 O-R illustrating an actual periodic inspection . . . . .  | 6-2 |
| 6-2:  | Sample sofa completed appendix E maintenance schedule. . . . .   | 6-3 |
| 6-3:  | Sample completed DA Form 7308-R. . . . .   | 6-5 |

## LIST OF TABLES

|       |  |      |
|-------|--|------|
| 3-1:  | Recommended composite structure platform heights. . . . .  | 3-2  |
| 3-2:  | Maximum recommended play equipment heights. . . . .  | 3-3  |
| 3-3:  | Highest accessible height of play equipment. . . . .   | 3-4  |
| 3-4:  | Recommended installed depths for loose-till safety surfacing. . . . .                                  | 3-4  |
| 4-1:  | Minimum distance to pinch, crush, or shear point. . . . .  | 4-6  |
| B-1:  | Boulder - Recommended baseline inspection questions. . . . .   | B-2  |
| B-2:  | Fencing and gates - Recommended baseline inspection questions. . . . .                                 | B-3  |
| B-3:  | Pathways - hard surfaced -- Recommended baseline inspection questions. . . . .                         | B-4  |
| B-4:  | Pathways - wood chip -- Recommended baseline inspection questions. . . . .                             | B-5  |
| B-5:  | Planter - Remmended baseline inspection questions. . . . .   | B-6  |
| B-6:  | Shade structure - Recommended baseline inspection questions. . . . .                                   | B-7  |
| B-7:  | Sign - Recommended baseline inspection questions. . . . .  | B-8  |
| B-8:  | Trellis - Recommended baseline inspection questions. . . . .   | B-9  |
| B-9:  | Ground cover - Recommended baseline inspection questions. . . . .                                      | B-10 |
| B-10: | Mulch - Recommended baseline inspection questions. . . . .   | B-11 |
| B-11: | Shrubs - Recommended baseline inspection questions. . . . .  | B-12 |
| B-12: | Tree - Recommended baseline inspection questions. . . . .  | B-13 |
| B-13: | Turf - Recommended baseline inspection questions. . . . .  | B-14 |
| B-14: | Drinking fountain - Recommended baseline inspection questions. . . . .                                 | B-15 |
| B-15: | Irrigation - Recommended baseline inspection questions. . . . .  | B-16 |
| B-16: | Sink - Recommended baseline inspection questions. . . . .  | B-17 |
| B-17: | Storm drain - Recommended baseline inspection questions. . . . .                                       | B-18 |
| B-18: | Sand safety surfacing (within use zones) - Recommended baseline inspection questions. . . . .          | B-19 |
| B-19: | Synthetic safety surfacing (within use zones) - Recommended baseline inspection questions . . . . .    | B-20 |
| B-20: | Wood product safety surfacing (within use zones) - Recommended baseline inspection questions . . . . . | B-21 |
| B-21: | Bench - Recommended baseline inspection questions. . . . .   | B-22 |
| B-22: | Removable shade - Recommended baseline inspection questions. . . . .                                   | B-23 |
| B-23: | Table - Recommended baseline inspection questions. . . . .   | B-24 |
| B-24: | Trash receptacle - Recommended baseline inspection questions. . . . .                                  | B-25 |
| B-25: | Weed and pest management - Recommended baseline inspection questions. . . . .                          | B-27 |
| B-26: | Composite structure - Recommended baseline inspection questions. . . . .                               | B-28 |
| B-27: | Arch climber - Remmended baseline inspection questions. . . . .  | B-31 |
| B-28: | Bubble panel - Recommended baseline inspection questions. . . . .                                      | B-32 |
| B-29: | Clatter bridge - Recommended baseline inspection questions. . . . .                                    | B-33 |
| B-30: | Cleated ramp - Recommended baseline inspection questions. . . . .                                      | B-34 |
| B-31: | Game panel - Recommended baseline inspection questions. . . . .  | B-35 |
| B-32: | Horizontal ladder - Recommended baseline inspection questions. . . . .                                 | B-36 |
| B-33: | Ladder and stairs - Recommended baseline inspection questions. . . . .                                 | B-37 |
| B-34: | Net climber - Recommended baseline inspection questions. . . . .                                       | B-39 |
| B-35: | Protective barrier - Recommended baseline inspection questions. . . . .                                | B-40 |
| B-36: | Ring trek - Recommended baseline inspection questions. . . . .   | B-41 |
| B-37: | Roof - Recommended baseline inspection questions. . . . .  | B-42 |
| B-38: | Slide - Recommended baseline inspection questions. . . . .   | B-43 |

## LIST OF TABLES (cont.)

|       |       |  |      |
|-------|-------|--|------|
| Table | B-39: | Stationary bridge - Recommended baseline inspection questions . . . . .                                | B-45 |
|       | B-40: | Track Ride - Recommended baseline inspection questions. . . . .  | B-46 |
|       | B-41: | Tunnel/tunnel slide - Recommended baseline inspection questions. . . . .                               | B-48 |
|       | B-42: | Wheel - Recommended baseline inspection questions. . . . .   | B-49 |
|       | B-43: | Amphitheater - Recommended baseline inspection questions. . . . .                                      | B-50 |
|       | B-44: | Ball play area - Recommended baseline inspection questions . . . . .                                   | B-51 |
|       | B-45: | Ball wall - Recommended baseline inspection questions. . . . .   | B-52 |
|       | B-46: | Crawl area - Recommended baseline inspection questions. . . . .  | B-53 |
|       | B-47: | Digging area - Recommended baseline inspection questions. . . . .                                      | B-54 |
|       | B-48: | Platform - Recommended baseline inspection questions . . . . .   | B-55 |
|       | B-49: | Playhouse - Recommended baseline inspection questions. . . . .   | B-56 |
|       | B-50: | Play station - Recommended baseline inspection questions. . . . .                                      | B-58 |
|       | B-51: | Program pole - Recommended baseline inspection questions. . . . .                                      | B-60 |
|       | B-52: | Sand play area (not within use zones) - Recommended baseline inspection questions. . . . .             | B-61 |
|       | B-53: | Sand and water table - Recommended baseline inspection questions. . . . .                              | B-63 |
|       | B-54: | Storage/pram storage - Recommended baseline inspection questions. . . . .                              | B-65 |
|       | B-55: | Swing - Recommended baseline inspection questions. . . . .   | B-66 |
|       | B-56: | Toys and scrap material - Recommended baseline inspection questions. . . . .                           | B-68 |
|       | B-57: | Tricycle and wheeled toy - Recommended baseline inspection questions. . . . .                          | B-69 |
|       | C-1:  | Boulder - Recommended periodic inspection questions . . . . .  | C-2  |
|       | C-2:  | Fencing and gates - Recommended periodic inspection questions. . . . .                                 | C-3  |
|       | C-3:  | Pathways - hard surfaced - Recommended periodic inspection questions. . . . .                          | C-4  |
|       | C-4:  | Pathways - wood chip - Recommended periodic inspection questions. . . . .                              | C-5  |
|       | C-5:  | Planter - Recommended periodic inspection questions . . . . .  | C-6  |
|       | C-6:  | Shade structure - Recommended periodic inspection questions. . . . .                                   | C-7  |
|       | C-7:  | Sign - Recommended periodic inspection questions . . . . .   | C-8  |
|       | C-8:  | Trellis - Recommended periodic inspection questions. . . . .   | C-9  |
|       | C-9:  | Ground cover - Recommended periodic inspection questions. . . . .                                      | C-10 |
|       | C-10: | Mulch - Recommended periodic inspection questions. . . . .   | C-11 |
|       | C-11: | Shrubs - Recommended periodic inspection questions. . . . .  | C-12 |
|       | C-12: | Tree - Recommended periodic inspection questions. . . . .  | C-13 |
|       | C-13: | Turf - Recommended periodic inspection questions. . . . .  | C-14 |
|       | C-14: | Drinking fountain - Recommended periodic inspection questions. . . . .                                 | C-15 |
|       | C-15: | Irrigation - Recommended periodic inspection questions. . . . .  | C-16 |
|       | C-16: | Sink - Recommended periodic inspection questions. . . . .  | C-17 |
